The Association expresses its sincere appreciation to the outgoing Interim Executive Committee for its exemplary leadership and commitment to strengthening AMSA. We also extend our gratitude to all member institutions for their continued support and participation in advancing medical education throughout Africa.

The new Executive Committee looks forward to working collaboratively with member schools and strategic partners to strengthen institutional partnerships, promote capacity development, enhance communication and visibility, and advance initiatives that improve medical education and the health workforce across the continent.

We thank you for your continued confidence in AMSA and invite your active engagement as we embark on this new chapter together.

Please accept the assurances of our highest regards.

Yours faithfully,

**Mrs. Omobolanle Oyedele**
